

JOCELYN KURITSKY

PRODUCER, DIRECTOR, ACTOR FOR AUDIO DRAMA PODCASTS

As a showrunner, producer, director, and performer, Kuritsky possesses an intricate knowledge of podcast creation and multi-platform storytelling. She has worked alongside Peabody winners, and guided Tony and Emmy winning performers through some of the most audacious material being produced today. Kuritsky also has a background in theater, as both an actor and conceiver of new works. A theatrical installation with the first season of her podcast series, *A Simple Herstory*, is in development and was featured in Quills Fest, which won a 2023 Bronze Telly Award. She is also a founder of the immersive theater company, Woodshed Collective, and is one of the ideators of Broadway's Tony nominated, *KPOP*.
